

## Our Mission Statement

*Children of the World* believes that the birthright of every child is to be in a loving and nurturing home. *Children of the World* seeks to restore this birthright to children who are abandoned or orphaned by uniting them with adoptive parents.

For orphans who will never experience the joy of a family, *Children of the World* provides relief services through food, clothing, medicine, toys and facility renovations.

**Jesus loves the little children,  
All the children of the world.  
Red, brown, yellow, black, and white,  
They are precious in His sight.  
Jesus loves the little children of the world**

These familiar words portray the heart of  
*Children of the World*  
and are the inspiration for our name.
