# GETTING YOUR VISA TO TRAVEL TO INDIA

There are two options when applying for your visa to travel:

**TRAVISA**
www.india.travisa.com

**COX AND KINGS GLOBAL SERVICES**
www.in.ckgs.us

With both services you will be filling out the application on line, printing out and sending via FedEx.

There will be a list of documents to include with the application. Your passport will have to be included. The visa is put inside your passport.

You will be applying for a **TOURIST** visa. I recommend a 1, 5, or 10 year visa. The multiple years visa would be best if you plan to travel again to India someday!!
